The Loma Linda chapter of the Woman’s Auxiliary to the School of Medicine elected officers for the 1964-65 term at a recent meeting in the home of Dr. and Mrs. Donald J. Buck, Redlands.

Ninety members and guests were present to hear William H. Parker, PhD, professor of speech at Loma Linda University. A well-known lecturer, writer, and human relations expert, he is the co-author of several books, the most recent of which is entitled “Man, Animal and Devil.”

Those elected to office at the meeting were: President, Mrs. Renee M. Fahl; president-elect, Mrs. Donald M. Rensky; past president, Mrs. Bu Ying Wei; secretary, Mrs. Reginald L. Low; assistant secretary, Mrs. Paul B. Hed; treasurer, Mrs. A. John Leopold; assistant treasurer, Mrs. Virginia H. Veltman; program chairman, Mrs. Betty Snyder; hostess, Mrs. Harold M. Walls; secretary, Mrs. Vernon T. W. Lai.

Wives and sons chairman, Mrs. Howard W. Conley; assistant, Mrs. Thomas J. Zimmerman; missions chairman, Mrs. Jack R. Kennedy; assistant, Mrs. Roy W. Singley; devotions chairman, Mrs. Bernard D. Blatt; development chairman, Mrs. John K. Peterson; homes chairman, Mrs. Geoffrey R. Gassman; co-chairman, Mrs. Herbert W. Amery; homes chairman, Mrs. Geoffrey R. Gassman; co-chairman, Mrs. Benjamin K. Hendron, Mrs. Roy W. Singleton; assistant, Mrs. Donald I. Peterson.

At a luncheon at a hotel in Los Angeles were: Mrs. Buck, Mrs. Dean, Mrs. William W. Simon, Mrs. Ray H. Dunne, Mrs. Kenneth D. Fehr, Mrs. Harry W. Hemm, Mrs. Herbert W. Amery, Mrs. Zevi Alper, Mrs. A. John Leopold, Mrs. Benjamin K. Hendron, Mrs. Roy W. Singleton; assistant, Mrs. Donald I. Peterson.

The center, at 2507 Mount St., Loma Linda, provides educational training programs for cerebral palsied children. Professor of psychology, it is a research source of needed help in San Bernardino County.

Faculty members from Loma Linda University-United Terrace, chairman for the occasion, says Mr. Ubbink. “May 12 is Florence Nightingale’s birthday. It has been reserved for events that have received a special invitation.”

MANY STUDENTS AND FACULTY members attended last week’s MV retreat at Camp Cedar Falls in the San Bernardino mountains. Speakers at the retreat, which discussed “how one can establish and maintain a saving relationship with an invisible God,” were Paul C. Hushak, professor of theology; Dalton D. Fullman, instructor, both of the University of Religion; and Howard B. Weeks, vice president for public relations and development. — Staff photo.

Dr. Collins’ major professor. In the evening of the May 4 meeting at the University Church May 8 at 7:30 p.m. The choir also will sing two operas in the opening hymns of the 1844 movement arranged by Harold A. Hynninen, professor of music.

A PANEL DISCUSSED “Mechanics of Christian Living” at the MV retreat last week. Among them were (left) John F. Vogt, III, SCOPE, University Church MV leader; Mrs. Betty Midler, Kate Lindsay Hall dean; Mr. Weeks and Mr. Hushak. — Staff photo.

For May 8 Service
The 54-voice La Sierra Col- legiate Chorale, under the direction of Moses A. Chalmers, is scheduled to appear in concert at the University Church May 8 at 7:30 p.m.

SD Alumni Meet
School of Dentistry and the Century Club met this week at Holland House, Los An- geles. After a luncheon meeting at which the alumni discussed potential mission projects, the board met for a brief session. In the evening of the May 4 meeting, the Southern California chapter of NASDA had its annual meeting and banquet in the dining room of White Memorial Medical Center, Los An- geles.

1. First contact with the hospital may be through the telephone operators. Mrs. Pearl F. Nickel (1.) and Mrs. Dorothy A. Kenison are among the five operators under supervision of Mrs. Lucille Coffin.

2. Dr. Killsworth C. Larson, SM '60, of Highland was at the desk at Unit 200. "An outsider," as he put it, he places many of his patients at the hospital.

3. Mrs. Dorothy Collins, head of the information desk and messenger service, has been at her desk for five years. She loves people and gives them the first smile of welcome before directing the patients to the admitting clerk. She is the wife of Edwin M. Collins, DDS, associate professor and chairman of the School of Dentistry oral medicine department.

4. Admitting clerk since August, Mrs. Dorothy Cojohn is in the process of admitting Mrs. Irvin D. Lane.

5. Mrs. Kathleen C. Robbing verifies insurance coverage and processes claims. She came to the hospital January, 1962, from Drake Memorial Hospital in Ohio.

6. Cleaning up the patient's room is Mrs. Marjorie V. Jennings, one of the many faithful workers here.

7. Miss Movelda C. Frank, one of the many aides, makes up the bed.

8. A nurse stands by. She is Mrs. Dorothy Hodgkins, RN '31, team leader and relief head nurse on medical Unit 200.

9. The doctor has prescribed some medicine. Ward Secretary Mrs. Virginia Cummins at Unit 200 processes the order.

10. Pharmacist VV. Alvin Thunquest fills the order. He has been concerned with the right kind of medicine for six years.

11. Miss Marilyn J. Buck, medicine nurse, takes the prescribed medicine to the patient. She came from Hinsdale Sanitarium and Hospital two years ago.

12. Preparing the food is Emilio F. Hernandez, assistant chef. His job is to prepare the general diet, while another cook prepares diet foods. Three years ago he came from Beverly Hills, California, and other famous restaurants.

13. One of the many duties of Mrs. Gladys Elliott, head nurse on the 3-11 p.m. shift, is to check on charts.

14. Concerned about the patient? Mrs. Carolyn J. Julson is one of the many ward clerks that answer telephone calls about the patient. She also sets up charts.

15. After the doctor has seen the patient, he may call the medical records service over any of the ten phones. Lois E. DeWitt transcribes the report, a mechanical operation, still of interest to the medical recorder. Her partner, Roshni Tulsl, says, "We do not get in touch with the patients, but we see his name on the chart.

16. Mrs. Marilynn E. Opincar is the assistant to Mrs. F. Faye Brown, director of the hospital medical records.

Moving Across the Street or Across the Nation?

The Oral B Company, of Sun, Florida, has donated 500 toothbrushes to the Women's Auxiliary to the School of Medicine Alumni Association. The women's auxiliary is a co-operative group sponsored by the school.

The auxiliary sent the toothbrushes in response to a request from Dr. Crawford after he had visited a small village near Bangkok, Thailand. He found that the people had an average of five or six toothbrushes each. If toothbrushes were sent, said Dr. Crawford, "we will do our best to teach every child in this village to properly care one.

The toothbrushes were obtained through the efforts of Thomas D. Zeeven, DDS, MSQ, associate professor of orthodontia in the School of Dentistry.

The toothbrushes are one of two missionary families which the Loma Linda Summer School chapter sponsors. The other is that of Dr. and Mrs. William H. Taylor, SM, who are stationed in Bangkok, Thailand. They are 44 members of the class of 1939 there will be an open house and a tea. Of the original nine members, according to Catharine Graf, School of Nursing administrative assistant, five are evening students, who in one way or another are involved in the treatment of a patient's life these days.

Our tour should have begun last Sunday, the most interesting day since 1946. There is a great deal of interest in what we will do. A School of Nursing student was admitted last Monday, the most important of those admitted was Doris Chynoweth, admitting clerk, since August. She was admitted on Monday, by Mrs. Irvin D. (Myrile) Lane, who is streetside here.

She is very much used to being involved in the treatment of a patient in the program of patient care. We gave up the idea of having her here last May. There will be a simulated operating room with visitor participation, film of patient care, surgery and other co-operative activities. The tour begins at 10 a.m. on Monday and in the assembly room with reception and toast. At the present, and the future, and the present and the future of the COPE. We would work days to take only half the time foreseen. We would like to take a few of the many questions that lingered in our mind; small wonder the explanation is as far as the case was concerned.

The other includes administrative, planning, personnel, public relations, public relations, advertising, and medical services, dietitians and kitchen staff.

"These have not been photographed for this story, neither have other members of the laboratories, surgery staff, administration and others. The majority are women, the exception being a few people in one way or another who have a job to perform and care of the patients, the most important person here.
