Pancreas in 13-hour Surgery

University Professor Removes Pancreas in 13-hour Surgery

An Arlington, California, man who has been in hospitals 35 and the last 13-hour operations hopes to return to work soon as a result of a 13-hour operation performed by Jerrold K. Longerbeam, MD, associate professor of surgery in the School of Medicine.

Bryce (Cliche) Averill is one of the few persons alive without a pancreas, which was removed in the operation April 2 at the Riverside County General Hospita. Also removed at that time was his spleen, the meos bladder had been taken out ear, and his gall bladder is his wife, who works in the payroll department.

Averill has been in the hospital longer.
The world must learn to work together, or finally it will work against itself.

Elsenhower.
COLORADO CONFERENCE OFFICERS recently visited Loma Linda University students to present the importance and benefits of working in their conference. At left is Hubert V. Beal, president of the Colorado Conference of Seventh-day Adventists. The group who were named presid- ents of the Wyoming Conference. — Staff photo.

Sophomores of SN Visit Ida Thomason Hall, Los Angeles

Alpha Sigma Nu (Associated Students of Nursing) at the University recently sponsored a tour of Ida Thomason Hall, western residence hall, and the White Memorial Medical Center on the Los Angeles campus for the sophomore class in the School of Nursing. Tour guides were members of the junior class.

During the visit the students voted Shirley L. Ching, SN ‘60, to be their class president for the upcoming year. Following a meal in the cafeteria and worship service, the group was entertained with a short program organized by Beth H. Mazat, SN ‘66.

Participating in the program were Dorothy A. Dick, SN ‘66, who served as chairman; Karen J. Badie, SN ‘66, Melta M. Olmstead, Ida Thomason Hall dean; Charles L. Someshaver, SN ‘66, Nancy A. Ritzinger, SN ‘66, Judith E. Beach, SN ‘66, Janice A. Cresford, SN ‘66 and Dorothy W. Williams, Ida Thomason Hall assistant dean. Music was presented by a trio composed of Lynda J. Fender, Carol L. Pitney, and Linda D. Bolle, SN ‘66. A solo was given by Lynne A. Williams, and Hawaiian music by Velma T. Tamanaha and Thelma C. Masabu, both SN ‘66.

At the conclusion of the visit, students were given brochures and pamphlets about various activities and supplies available, including cookbooks and adapted for use in the University student health services.
