Hope TV is running a simple church interview with Don Schneider. If you missed it here is an online link to watch and share with your friends:

I sit in awe and humble shock at what is happening in Simple Churches around the world. It is the most exciting, faith-challenging, hope-building, and front-line missionary experience that I and our family have ever been involved with 100's of people from around the world are visiting the web page.

Please pray for an epidemic of simple church missionaries - 10,000 would be a good start.
