The story of Adam and Eve is not just a beginning but an ending also. This incredible story of Adam and Eve sets the stage for the greater story of how God will ultimately remove sin forever from all His redeemed. Questions on why they disobeyed, Satan's lies, changes in their work and diet, why their sin affects us, and finally what will be their lot at Christ's return will be revealed. In this compilation, the major points from the writings of Ellen G. White have been assembled in an orderly manner to help the reader understand more fully the real story of Creation’s Couple.
