With the publication of the 7th Edition, we now have assembled enough evidence to prove not only to the point of over-kill that the three key doctrines of Adventism are false, but that Adventist leaders have known these doctrines to be false for a very long time. In view of the proof that the Hebrew linguistics of Genesis 2, Exodus 16, and Exodus 20 conclusively eliminate even the slightest possibility that the Sabbath was instituted at Creation, as published in 1982 by the D. A. Carson team, there has been no excuse for Adventism to exist. The institution and culture of Adventism continues to take the hard-earned dollars of its followers on the basis that these things are true and continues to do so with a tithing system that could not even be applied to Israel when God was directing the affairs of His people on a personal and daily basis. The sister Sabbatarian denomination to Adventism, The Worldwide Church of God, responded to the biblical truths discovered and published by Carson and others by renouncing Sabbatarianism in 1995, even in the face of the devastating financial consequences that its leaders knew would surely follow. Adventist leaders have shown absolutely no interest in following in the footsteps of their sister Church by implementing fundamental doctrinal reform. Essentially, Adventism has become an unethical money-making system that would be illegal were it not a religious organization protected by the Constitution's provision for maintaining the separation between church and state. Separating people from their money by offering a product known to be phoney and defective is illegal in the world of business and punishable by law.

Your authors invite you to join them in a major proactive effort to distribute electronic or printed copies of LYING FOR GOD to Sabbatarians--especially pastors, educators, church leaders, and national and world church organizations. We also need help to distribute the book to Evangelical, Catholic, and Orthodox clergy to help clear up the confusion that Dr. Bacchiocchi created when he mass-marketed FROM SABBATH TO SUNDAY to the clergy of Sunday-keeping churches. Hundreds of people are needed to participate. We will show you how to go about this work.
