“Changing Lives”
All Over The World
“One Book at a Time!”

We need God’s people to give an outpouring of compassionate support $150,000 - in the next 30 days to meet our goals.

It’s no surprise that this special campaign is being well received by new faith-commitments arriving almost every day, however we’re in a new kind of dilemma, our warehouse has books yet our distribution funds are depleted. We have sent everything possible with the funds we have received, yet there are still enormous needs.

We must replenish funds immediately. The moment funds come in a shipment of life-changing literature goes out. We receive requests daily, pleading for more Bibles, Bible lessons, and truth filled literature.

Already there are many we’ve said "yes" to or "yes, as soon as we can."

"Living is giving... We are called to serve"
Remember these words of the Lord Jesus, that He Himself said,
"It is more blessed to give than receive." Acts 20:35 (NASB)

A past donor’s testimony states:

"I didn't understand why it was important to help a prisoner behind bars, until I realized that all these years I was part of the problem. You might ask why? When a prisoner is released from prison they receive approximately $10 to $20 and the clothes they had on their back when they entered prison. If they haven't been given the opportunity to meet Christ behind bars, they will leave the prison empty—not only their pockets, but their hearts. When released, a prisoner will do one of two things, they will either look you up or stick you up! If we support prison ministry, we are supporting the only true and proven method of rehabilitation. Prisons do not rehabilitate, this is proven by the recidivism rate of inmates. Life-changing books and Bible courses are the key.

We cannot force anyone to come to Christ, but we can give them the opportunity. We provide truth filled literature and a message of hope to these men and women behind bars. Without this choice, they simply have no other choice but to continue in the sin that brought them to prison in the first place. This is why I help! I will not be responsible for another prisoner leaving his cell without having the opportunity to meet the Lord and Savior for the first time and to be made anew. God made man and only He can change a man’s heart!

So I eagerly agreed to help UPMI to provide life-changing literature to those locked behind bars. And I'm thankful every day to be able to support a ministry that introduces men and women to Christ."

A Chaplain’s Request for Truth Filled Literature:

"The free literature which United Prison Ministries International offers to prisoners is indeed an answer to prayer. We enjoyed receiving the 1000 copies of the Desire of Ages...

As testimony as to how God uses His inspired literature provided by United Prison Ministries International, I recall a new prisoner of our facility came into my office. He said, 'Chaplain, I've read a book called, 'The Desire of Ages', and I want to become a Seventh-day Adventist. Have you ever heard of Seventh-day Adventists?' Well, needless to say, I was overwhelmed with joy and in awe witnessing the incredible guidance of the Holy Spirit.

There is a fast turn-over at this prison. Men are transferred in and out on a constant basis. Each year I order as much literature as possible. But now there are budget cuts. We have three Seventh-day Adventist worship services on Sabbath and three Revelation Seminars for each of our custody levels. In February 2005, twenty-six (26) men were baptized as Seventh-day Adventists. One Hundred (100) between the years 1996-2004.

When the literature is made available... men of different denominations will read the literature. Everyone on campus realizes that the seventh day is the Sabbath. By God's grace there is still much more to do for His glory.

I am humbly requesting the following. If the quantities are not available whatever you can spare would be genuinely appreciated. Thank you very much. May God abundantly bless you in your service for Him.

Titles: Number Requested:
New King James Bibles 1,000
The Desire of Ages 500
Bible Questions & Answers 500
Key to Happiness 500
The Marked Bible 500

Thank you from the bottom of our hearts. You can not imagine the blessings from God your sacrifice will bring."

I'm Now Sending Them to Family and Friends

"The Lord does work in mysterious ways. Praise to God. The reason I'm writing you this letter is to let you know that God had answered my prayers when I received your book 'The Marked Bible.' I have been reading and studying the Bible a lot since I've been locked up. God has given me wisdom to know the truth. Praise is to Him. I feel so blessed. I'm now sending them out to my family and friends. At least they will have the knowledge that I received. I hope and pray they read the book with a child like mind and be open to the truth.

Thank you so very much for this wonderful gift. I couldn't ask for anything better. Keep up the good work. May the Lord bless you all for all the work you do for us".
