Alaska Is Responding!

“Another 113 Bible study enrollment cards today! The total now is 741 to date! (as of November 16),” said Tina Steenmeyer, the Alaska Conference Discover Bible School coordinator. The specially-designed enrollment card featuring Alaska scenery and people has been going out in the mail for just over two weeks. We’ve heard that some haven’t yet been delivered to homes due to blizzards in some areas and others are still waiting to be mailed. Please pray that many honest seekers will respond. The card offers free VOP Bible study guides—Discover, Native New Day and KidZone. We appreciate your keeping the joint Alaska Conference and Voice of Prophecy REACH ALASKA project in your prayers.

Discover the Bible in 2012

Make a commitment to read the Bible all the way through in 2012. The 53 Weekend Voice of Prophecy programs for 2012 will feature a walk through each Bible book. Since there are 66 books, a few programs will include two books. These programs will feature an overview of each book and a look at a few selected highlights. It is then up to you to read the book during the course of the week. The Word of God changes people even when some passages are difficult to fully understand. Join us for this rediscovery of the power of God’s
Word in 2012! If there isn’t a station near you carrying VOP, you can always listen at your convenience on the iPhone or Android apps or at vop.com.

**Church Uses Jesus 101 Materials**

“This is the seventh month of our Treasurer Seekers Women’s Bible Study at Omaha Memorial Church,” shares local member Karen Phillips. “We spent five months on Elizabeth Talbot’s Matthew study and are now in the process of working through her John study. We all enjoy the fellowship of a light supper and the insight and wisdom of sharing God’s Word. In addition to the studies, we have been showing Elizabeth’s DVDs from the 2009 Women’s Retreat and now are using the Jesus 101 clips for her study of John. We also incorporate singing of hymns, Scripture memorization, and prayer time in our time together. God has richly blessed us.”

**From Our Listeners**

- A gentleman recently wrote that he had heard about our Discover Bible School but didn’t catch how he could enroll, but the Lord had a way. He was in a supermarket browsing the magazine section when he noticed a Discover Bible School application sitting on the shelf. He sent it in and is now studying the Bible.
- I wanted to write and simply say “Thank you.” I am a pastor and am very grateful for your biblically rooted and Christian programs. Rather than give into pressures from certain segments of the Church, your commitment to the Christian faith is very, very encouraging. Thank you VOP. Keep it up!
- I listen to Fred and Elizabeth every morning and I can’t begin to tell you how much I have learned from your ministry. And many times I find myself going to the Bible to confirm what you have stated. The words “Thank you” don’t seem to be enough for how you have touched my life. Your insight of GOD’s Word and your inspirational guidance has given me strength in dark times and light when I lose my way. Thank you.
- Hi Fred and Elizabeth, I SO always enjoy your broadcasts and I 'sit at your feet' and soak in the biblical truths you present. THANK YOU!
- I was listening to the radio a little last evening, as I was returning from a concert. I wanted to tell you: You and your VOP radio show partner sure do a great job with your program! Really relevant and friendly, with interesting play off of each other with the dialogue. Keep up the good work of sharing the gospel.
