Alaska Is Responding!

We have mailed Bible Study invitations to every home in Alaska—all 286,000 of them. While many cards have not yet arrived in mailboxes, nearly one thousand homes have already requested Bible Studies through the Voice of Prophecy and the Seventh-day Adventist churches in Alaska. How exciting it is to think of that many new people wanting to know the Scriptures better! Think of an evangelistic series where one thousand people came forward, wanting to know more Bible truth for these days in earth’s history!

We might not have been thinking BIG enough.

Recently people from Europe called to tell us that they are thinking about doing in France what we are doing in Alaska. VOP is uniquely suited for this type of outreach since the ministry combines media outreach with Bible study support through Discover Bible Schools in Adventist churches. There are 2,400 of them in North America alone!

Plans are already been formed to add two states in the U.S. to the outreach in 2012. I will tell you more about that in future editions of this newsletter.
**Bible Reading Plan**
The Hawaii Seventh-day Adventist Conference will pass out VOP Bible Reading Plan cards in every church in December encouraging people to follow the Bible-reading plan in 2012. Getting people into the Bible is what VOP is all about. Our marching call is “Discover Your Bible!” If any church or conference also wants to participate, you can request a quantity of the plan free of charge from VOP. (Available in U.S. and Canada while supplies last. E-mail gospel@vop.com or phone 805-955-7631 by December 20.)

**Your Financial Support is Vital!**
The generosity of our many Voice of Prophecy friends enables us to share God’s love and salvation message through radio broadcasts, Bible lessons, the Internet, and social media. Your special year-end gift could help provide resources to influence for Christ our listeners, students, and web users. If you wish to assist with the Alaska project, just write that in the memo line on your check or in the comments box at vop.com. To give online, click on the Donate link at the bottom of this e-mail. Thank you in advance for your support.

**Meetings in Latvia**
Ten days of meetings started Thursday night, December 2. The larger photo shows the city of Riga, where all the meetings took place. Most meetings were at the Riga First SDA Church, the largest church in the country. The other photo is the cover of her book "Surprised by Love" in Latvian.

On the last Sabbath (December 10), the Adventist Church in Latvia rented a convention hall for a country-wide convocation. As soon as she arrived, Elizabeth wrote, "There is a sense of expectation and I know the Lord is with us! I have great peace and joy."

From Our Listeners and Students

- “My husband passed away in May. Miss him very much. He enjoyed your program always – we both did. My prayers are with you daily.”

- “I used to be hooked on drugs. In jail I was put in cell with a guy who speaks Spanish. He had a request card for the Bible study guides on Daniel. He said I could put my name on it. I did and now I am hooked on them. They have opened my eyes to the symbolism in Daniel and Revelation.”

- “I am hoping to receive the 26 Discover Bible Guides, and I so very much am hoping you will also send them to a friend of mine! She really needs all the help and information she can get. She just began her walk with Jesus. She actually asked me the exact same four questions that I have underlined on your order form.”
