Merry Christmas from
Voice of Prophecy!

Merry Christmas!
A flight attendant told me recently that he was advised not to say “Merry Christmas.” Instead he was to address customers with a generic “Happy Holidays!” While I can sympathize with the desire for political correctness, I am glad to be a part of a ministry that proclaims that not only did Jesus come once to this earth, but He is coming again! A truly good reason to be merry don’t you think!

Maybe Santa Is Studying
I say that with a smile on my face obviously, but I recently learned that more than 40 homes so far have accepted VOP’s invitation for Bible studies in North Pole, Alaska. That’s amazing for such a sparsely populated place. Kurt Johnson, director of the VOP Bible School, told me that the Bible study requests in Alaska have been coming in daily for several weeks. The current total is 1025 with requests coming in daily.
The Radio 74 Network Is Back!
Starting in 2012, we are happy to be back on the Radio 74 network of stations in North America. The timing is excellent so people can hear the series on each Bible book that begins the first weekend in January on the weekend edition of VOP. Of course you can listen anytime at vop.com or on our dedicated iPhone or Android smartphone applications. Join us as we move through the Bible in one year! Keep up by reading along.

Your Financial Support Is Vital!
Your special year-end gift could help provide resources to influence for Christ our listeners, students, and web users. If you wish to assist with the Alaska project, just write that in the memo line on your check or in the comments box at vop.com. To give online, click on the Donate link at the bottom of this e-mail. Thank you in advance for your support. Gifts postmarked or given online by December 31 will receive a receipt for 2011.

Act Now Before Gift Annuity Rates Drop!

Act now before gift annuity rates drop on January 1, 2012 to enjoy a higher lifetime payment. Some of the income may be tax-free.
