Welcome!

It has been a busy week at Weimar. The college is preparing for their first Practical Application Component (PAC) times next week. During the October 3-8 event, teams of students and staff members will fan out across California, performing a variety of activities to put their classroom learning to work.

One group will go to Mt. Shasta to assist with a health fair. Students will perform the Harvard step test, chair massages, BMI calculations, cooking demos, and health age appraisals.

Other projects include literature evangelism work, swift water rescue training, and campus improvement. In addition, there will be a pilot test for Faith Trip, an exciting project scheduled for December. During Faith Trip, students will canvass their way across the country, from Weimar to Houston Texas. They will have no financial support, but will fund their way as they go with the proceeds from book sales. They plan to arrive in Houston in time for GYC.

Tonight’s Webcast

Join us for a live webcast of “Missions in Mexico - God is Real” this Friday evening. Go to www.weimartv.com to view the program. It begins at 7 p.m.

Community Cooking Class

Weimar college’s nutrition class is holding a community cooking school in Auburn on Monday nights in
October. The class starts October 10 at 6:30 p.m. Recipes will feature a plant based diet that is proven to reverse chronic diseases. Various health care professionals including David DeRose, MD, Dr. Daniel Binus, and Lanni Aasen, MPH, will give informative health presentations.

A group of Weimar staff children have been promoting the cooking school event in the neighborhoods around Weimar. The children are practicing talking at the doors and praying with people as they learn how to conduct health outreach. They already have one Bible study lined up.

Weimar Academy Week of Health

Weimar Academy is holding a week of health starting October 3. Weimar College instructors will teach classes on simple remedies, massage, charcoal usage, and other topics.

Those of you who have been to our campus probably remember the unsightly yellow building that is near the RV park. We are pleased to announce that this building is in the process of being dismantled. This effort is part of our wider effort to economically improve and beautify the campus. Look for more details soon!

A former Weimar College student writes, "Just wanted to let you know that I really miss Weimar a lot! I miss the quiet atmosphere and the small, family feel. Praying for you!"

We would love to hear from you. Take a minute to drop us a line. Write to communication@weimar.org

God bless,
