Happy Sabbath,

Weimar College is having a special weekend of spiritual focus and student fellowship. The theme for the weekend is “Led,” emphasizing Christ’s guidance of our lives. Events throughout the weekend include vespers, Sabbath services, and a bonfire.

The vespers program on Friday evening and the church service on Sabbath morning will be webcast. The vespers program begins at 6:45 p.m. with song service. Pastor Gregory Jackson will speak. Church service begins at 11 a.m. on Sabbath. Go to www.weimartv.com to view the webcasts.

Faith Trip - Coming Soon

On December 11, a group of 11 Weimar students will get into two vans and head for GYC in Houston Texas. The catch? They will take no money, no food, and have no lodging plans. Instead, they will be earning their way to GYC selling cookbooks, children’s books, and books by Ellen White. Get a feel for what the trip is all about. Click on the video below.
NEWSTART Global℠ Gains Momentum at AMEN Conference

Weimar representatives were at the fall meeting of the Adventist Medical Evangelism Network (AMEN) last weekend. The medical professionals at the conference showed strong interest in NEWSTART Global and support for the program. If you haven’t heard about NEWSTART Global yet, go to www.newstartglobal.com to find out what everyone is excited about.

Interest in NEWSTART Global has been growing. Donations have been coming in to help build the program and churches have been signing up. Valerie Dufour, the Assistant Director for Health Ministries for the SDA churches Euro-Africa division, recently visited the Weimar campus to learn more about the NEWSTART® program and NEWSTART Global. As more people like Valerie learn how NEWSTART Global can empower local church evangelism across the world, we are encouraged that God is moving health evangelism to the forefront of His work at the end time.

Inn and NEWSTART Renovation Continues

Weimar Inn and the NEWSTART Lodge continue to be upgraded. Several rooms in the NEWSTART Lodge are under construction right now. In addition, some of the lobby furniture has been upgraded.
Renovations on the second floor of the Inn are scheduled to begin next week. These upgrades to both the Inn and NEWSTART lodge will improve the experience of those attending our programs while providing several levels of amenities to best suit the needs of a wide variety of guests.

Warm Soup for Cool Evenings

We’re having wintery weather at Weimar this weekend. If the weather is cool where you live, why not warm up with a bowl of asian noodle soup. Try the recipe at the NEWSTART Lifestyle Club. Click here.
