Happy New Year,

We have begun an exciting, faith-filled new year at Weimar! In a world of fear and uncertainty we know that God is leading in 2012. No matter how chaotic the world around us appears, we have a dependable rock for our foundation.

You can have the same foundation by placing your trust in a God who says, “Fear not.” On this solid foundation you can build your faith and health, and gain true education which is a knowledge of God. Join us in 2012 by choosing to fear not.

Tonight’s Vespers Webcast

With a new year, our weekly vespers programs are beginning again. Elder Don Mackintosh will be speaking for tonight’s vespers. The program will be webcast beginning at 7 p.m. at www.weimartv.com

Reversing Diabetes Seminar

We started the year with a Reversing Diabetes seminar on our campus. The January 2-5 seminar was a great blessing to the 21 attendees. Our housing capacity for the program was fully utilized because of ongoing renovation work in the Weimar Inn and NEWSTART lodge. We thank God for the perfect number of guests.

The lectures were provided by our own NEWSTART physicians, Dr. DeRose, Dr. Ing, and Dr. Lukens. Attendees also enjoyed delicious healthy food in the NEWSTART cafeteria and exercise in the mild weather.
The next Reversing Diabetes seminar is tentatively planned for May. We will update you as details become available.

Faith Trip Successful

If you haven’t been following Faith Trip, be sure to watch the new video showing highlights from the trip. The story is inspiring. Eleven Weimar College students successfully canvassed their way from Weimar California to Houston Texas. Despite difficult territory and vehicle breakdowns, their faith in God grew and their trip was completed. Watch the video to see for yourself at http://faithtrip.org.

Renovation Updates

Over the holidays, renovation work at Weimar progressed rapidly. The NEWSTART lobby has been updated and the hydro departments have been freshly painted. The lobby update includes a new registration area to welcome guests. Watch for pictures next week.

Weimar Inn renovation work is continuing. The painting is finished on the second floor, carpet is being laid, and bathroom fixtures are being installed. On the first floor, painting is now underway. Renovation work in the inn may be completed as early as March.
Work on the former band building is also progressing. The new building will provide needed space for our growing student population, especially with the new Health Evangelism Leadership Program (HELP) beginning in August. Exterior painting is finished and interior trim work is being done now.

In the college building, improvements have been made in the student lounge, offices, and downstairs area. A decorative concrete planter has been added to replace a broken
Thank you for your help and prayers in making these needed renovations happen.

**Join Us in Study and Prayer**

Our staff members have begun an on-campus Bible study and prayer meeting on Monday nights. We want to invite you to join us! If you are in the area, come by our chapel at 6:30 p.m. on Monday nights. The first half-hour is Bible study, followed by a half-hour of prayer time. We start and end right on time.

If you live further away, please join us in prayer. Starting at 7 p.m., we will be praying, along with the world church, for the outpouring of the Holy Spirit and for revival and reformation. After that, please join us in praying specifically for Weimar, its mission, needs, and for the people we touch. Pray that we will be effective in representing the healing and teaching ministry of Christ.

We are currently studying the book of Revelation. If you want to join us or follow along at home, we are currently starting chapter four. Send us your thoughts and comments.

**School Sessions Beginning at Academy and College**

Weimar Academy students are back from their winter break and have already started classes. Students will be working hard to finish fund raising for their upcoming mission trips to South Korea, England, Arizona, and Zambia. College classes begin on Monday.
