In addition, Marla will have responsibilities as the NEWSTART Alumni coordinator. In this capacity she will be able to continue the relationships she has formed, helping guests stay on the path to healing. We will introduce you to Marla in a future issue of Weimar Weekly.

Students Encouraged to Pursue Literature Evangelism
Bill Krick, the Central California Conference Literature Ministries Director was on campus this week talking to Weimar College and Academy students about summer literature evangelism. A representative of Arizona Conferences literature evangelism program also spoke to students.

Programs like literature evangelism fit well with the college and academy emphasis on practical learning and evangelism. Many of Weimar’s students have participated in these programs, earning tuition dollars and spreading the gospel.

Bill Krick was able to take a few moments to meet with a group of staff children, telling them stories about literature evangelism and inspiring them to be missionaries in their communities as well.
