**The NEW NEWSTART Commercial!**

Here's the first sample of our new ad campaign which has already started. This spot is called "Laughing Man".

In this TV concept, we leverage the cliche of the jolly fat person to illustrate the unfortunate reality: that an unhealthy lifestyle has dire consequences. This message highlights the fact that sometimes it takes the realization that a shortened lifespan has an effect on everyone who loves you. This spot will be aired on networks like Fox News, Lifetime, CNN, NBC, Discovery and The History Channel. If you would like to air it in your hometown please contact our Director of Marketing at 530-422-7988.

Enjoy and share!

NEWSTART Be ProActive and Change Your Life
Quote of the Week

"It is acquaintance that awakens sympathy, and sympathy is the spring of effective ministry. To awaken in the children and youth sympathy and the spirit of sacrifice for the suffering millions in the "regions beyond," let them become acquainted with these lands and their peoples. In this line much might be accomplished in our schools. Instead of dwelling on the exploits of the Alexanders and Napoleons of history, let the pupils study the lives of such men as the apostle Paul and Martin Luther, as Moffat and Livingstone and Carey, and the present daily-unfolding history of missionary effort. Instead of burdening their memories with an array of names and theories that have no bearing upon their lives, and to which, once outside the schoolroom, they rarely give a thought, let them study all lands in the light of missionary effort and become acquainted with the peoples and their needs." {CSA 66.1}

We love hearing from you! We hope you enjoy reading about what God is doing at Weimar. If you have a comment, story, or question, please write to content@weimar.org.

Have a blessed Sabbath and a happy new week.

Dear Weimar Friend <<Last Name>>,

SPECIAL WEIMAR WEEKEND
PRAY • FAITH • ACTION

The success attending Nehemiah’s efforts shows what prayer, faith, and wise, energetic action will accomplish. Living faith will prompt to energetic action... If the leaders professing to believe the solemn, important truths that are to test the world at this time, manifest no ardent zeal to prepare a people to stand in the day of God, we must expect the church to be careless, indolent, and pleasure-loving. - Christian Service, p. 177. {ChL 22.1}
