Dear Center For Adventist Research,

Weekly Webcast

Kevin Doe will be our speaker for vespers this Friday night and his topic will be "The Living Word". We hope that you can come in person, but if not, join us on weimartv.com for live streaming.

Maranatha Nearly Complete With First Wave of Work
The Maranatha group is finishing up and volunteers have been working for ten days already. The work on Echo Hall is progressing well and much of the flooring has been laid. There are many new walls framed in and windows are being put in now. Even with all this there is still much that needs to be done. There are quite a few steps that need to be completed and then approved to county code before we can even use the hall. Some of these include: Electrical, Plumbing, Drywall, and more. There is still work for Maranatha if they were to stay but maybe we can get other people to come and help too. We have the supplies and all essential resources except for the workers. We just started installing the brand new windows. If you know anyone who is a window installer, please ask the person to come and help us install our new windows. All help is much appreciated! See more about the project.

Academy Parking Lot

Work on the academy parking lot began earlier this week. The area has been graveled and the bumps have been leveled out, so that it will drain better. The pavement will most likely be poured today.
Potato Salad

1. Placed cooked, diced potatoes in a large bowl.
2. Add the onions, celery, and mayonnaise to the potatoes and mix well.
3. Salt to taste
4. Fold the peas in last. It looks nice to keep them whole.
5. Chill.

Quote of the Week

"Children and youth should cultivate habits of thoroughness in the matter of education. The college course does not embrace all the education which they are to receive. They may be constantly learning lessons from the things they see and hear. They may study from cause to effect, from the surroundings and the circumstances of life. They may learn every day something they must avoid, and something they may practice that will elevate and ennable them, giving solidity to the character and strengthening in them those principles which are the foundation of noble manhood and womanhood. If they enter upon their education with careless purposes, well content to pass along without any particular effort on their part, then they will not reach the standard God would have them attain." We love hearing from you! We hope you enjoy reading about what God is doing at Weimar. If you have a comment, story, or question, please write to content@weimar.org.
Have a blessed Sabbath and a happy new week.

Weimar Communication Department
Maranatha will be leading volunteers in revamping Weimar Echo Hall for classrooms, primarily for laboratory space as well as for temporary chapel facilities. The current chapel cannot accommodate the entire student body, and Weimar urgently needs a place for the campus to worship and meet.

**PROJECT DATES:** Sep 10 - 20, 2012  
**SKILLS NEEDED:** All Construction Skills Needed! Two specific areas would be general carpenters and window installers.  
**PARTICIPATION COST:** $0.00

When the project is over, volunteers are encouraged to attend the 2012 Maranatha Volunteers International Convention in Roseville, California - just a 30-minute drive from Weimar.
