**School has started again!**

Most of the students have returned from PAC Missions and school has started back up. The mission trips went very well and people's lives have been changed for the better. There are many blog updates on the pacmissions website for you to enjoy.

**Weimar Academy is back!**

Praise the Lord that we all made it back home safe and were thoroughly blessed on all of our mission trips. Thank you so much for all your prayers and support. We could not have done it without you. If you haven't checked out our website that tracked our mission trips, you can read all the updates and stories at pacmissions.org/academy. The students are producing videos for their trips which we will be sharing as well when they are completed.

"In choosing men and women for His service, God does not ask whether they possess learning or eloquence or worldly wealth. He asks: “Do they walk in such humility that I can teach them My way? Can I put My words into their lips? Will they represent Me?”

God can use every person just in proportion as He can put His Spirit into the soul temple. The work that He will accept is the work that reflects His image. His followers are to bear, as their credentials to the world, the ineffaceable characteristics of His immortal principles."
