Dear Center For,

No Weekend Webcast

There will be no vespers tonight. The college is doing family groups, where each student has a small family group with a staff member or two and several other students to provide for a close family feel while away from home.

Weimar Alumni Homecoming
About 100 Weimar Academy, College and Staff Alumni came together last weekend to enjoy the 3rd joint Alumni Homecoming Reunion and celebrating 35 years of Weimar Institute history. John Wesley Taylor, Ph.D., Associate Director of Education for the General Conference spoke for the main Sabbath service representing the 30th honored college class of 1983. Others came to enjoy the fellowship from as far away as Lebanon, Japan, Alaska and the East coast as well as a number of western states. A number of different activities were added to this year’s event such as a "meet & greet" buffet supper Friday before vespers. Alumni as well as current faculty enjoyed participating in three different panel discussions that focused on Education, Theology and Health. Sunday morning we enjoyed the first annual Weimar Alumni Trails Fun Run/Walk Fundraiser for worthy students. Over $2,600 was raised from offerings and fundraisers to benefit the worthy students.
We look forward to many more alumni “family” reunions – especially the one in heaven. Currently Alumni Homecoming is scheduled for the 2nd weekend of April each year.

Quote of the Week

“There are conscientious young men who are preparing to move into line, to strengthen the outposts. If they walk humbly with God, He will talk with them, and instruct them. To them I would say, Work where you are, doing what you can to pass along the truth which is so precious to you. Preserve simplicity, and then, when there are vacancies to be filled, you will hear the words, Friend, come up higher. You may be reluctant to advance, but move forward with trust in God, bringing into His work a fresh, honest experience and a heart filled with the faith that works by love and purifies the soul. As you thirst for the water of life, ask Christ for it, and He will give you to drink of the water of life freely. He will be to you a well of water, springing up into everlasting life.”

- Letter 9, 1899
