Two hours ago my cell phone rang at the office. It was Rob Pratte, host of CBS Pittsburgh's KDKA radio show, *Weekend Magazine with Rob Pratte*. With Mr. Pratte was Robert Mangino, host of another 4-hour KDKA radio show heard weeknights in 38 U.S. States, including half of Canada.

In case you haven't heard, last Friday morning (January 28) a bizarre UFO-type sight apparently appeared in the sky above Dome of the Rock in Jerusalem. Hovering for a time, it suddenly descended like a falling meteor above the Temple Mount, then hovered some more, flashed a light, and then shot back into the heavens. The entire event was caught on video. "Hoax or not," Mr. Mangino said to me, "this video has created a buzz all over Planet Earth. Can I interview you tonight to discuss your views on the UFO, Israel's role in prophecy, and the end of the world?"

Yes, was my immediate response.

My slot is tonight (Thursday, Feb. 3), from 9:05-9:30 (or longer) pm EST.

You can listen here if you want.

Of interest is this verse,

> There will be fearful sights and great signs from heaven (Luke 21:11).

And this quote,

> Fearful sights of a supernatural character will soon be revealed in the heavens, *in token of the power of miracle-working demons*. The spirits of devils will go forth to the kings of the earth and to the whole world, to fasten them in deception, and urge them on to unite with Satan in his last struggle against the government.
If you haven't read the book, *The Great Controversy*, it is now available from White Horse Media. Whether this event is a fulfillment of increasing satanic activity before Jesus comes or not, please pray for me that God will help me tonight to give a clear message to millions of listeners about Bible prophecy, these last days, and the soon return of Jesus Christ.

Again on the front lines,
