Dear friend, if you have called White Horse Media recently and only heard voice mail, we apologize. We have a small staff and - praise God! - the good news is that we have been swamped with orders for our new Agents of Satan DVD and for our new sharing tract, Making Sense of Natural Disasters (see www.whydisasters.com). I don't know when we have been this busy. Of course we are thrilled. We know that God is behind these two projects and we are happy to know that so many of you are too.

On the financial front, we still need to pay off the balance of our outstanding new headquarters building expenses (about $31,000) and to raise funds to completely sound proof and prepare our TV studio for future productions (between $15-20,000). We also have a smaller need I mentioned in my last newsletter, which is the funding (either $1350 or $1800, or both) for acrylic countertop displays to help you and others more easily showcase our truth-filled pocketbooks in public places (50 6-Pocket stands costs $1350, while 50 12-Pocket stands cost $1800). This is not a huge amount, but current funds are committed to other places, and we need help with this. We hope to place an order soon so that we can have these displays on hand at our booth at the ASI Convention Aug. 2-5. If you want to help with this, let me know.

If you haven't heard my recent interview with Rick Walker on The Hot Topic of Hell, its worth listening to.

Our next White Horse Media pocketbook, The United States in Bible Prophecy: The Day of the Dragon is at the Door, will be in print soon.

Happy 4th of July to all. Let's enjoy the freedom we still have in America while it lasts.
Keep the faith,

Steve Wohlberg
