Clarifying the Confusion / Miracle in the Making

Dear friend of White Horse Media,

First, I want to remove the confusion over yesterday's e-news titled "God's Building Project" that mistakenly contained a Valentine's Day message. Here's what happened: Last Thursday (2-10-11) I "sent" an e-news about our building project, but today I discovered that it never went out because one of our computer servers went down. Before realizing this, on Valentine's Day I sent out another one. Because I received no responses at all, I was alerted to a potential problem, and contacted our webmaster. Well, yesterday he fixed the problem, but unfortunately the server then sent out a hybrid e-news titled, "God's Building Project" with a Valentine's Day message - a day after Valentine's Day! Anyway, the problem is fixed. My apologies.

Now, about "God's Building Project." Honestly, a miracle is in the making right now in Priest River, Idaho. Today I was at our headquarters and it was a beehive of activity. In the last few days final baseboards have been painted, 11 cadet cabinets in the kitchen are being installed, and ceiling lights too. Our phone system will soon be connected, and by God's grace, our roomy TV studio will soon witness high-quality filming, not only of our own White Horse Media programs, but those of other godly ministries, too. It's a lot of work! But we are! pressing forward.

Here are some pictures from the last few days:

Kent and Jeff installing cabinets in the kitchen

The miracle is that we started with nothing and now we have a 5,500 sq. ft. 19-room media center where we will produce television programs, start a new radio broadcast, and ship...
truth-filled resources around the world. Our focus will be:

- The truth of the Bible (see John 17:17)
- The Gospel of Jesus Christ (see Revelation 14:6)
- Christ our Righteousness (see Jeremiah 23:5,6)
- The Three Angel's Messages (see Revelation 14:6-12)
- Warning about the Mark of the Beast (see Revelation 14:9-12)
- The Ten Commandments (see Exodus 20:3-17; Revelation 14:12)
- Exposing Satan's deceptions (see 2 Corinthians 2:11; Revelation 12:9)
- The Second Coming of Jesus Christ (see Revelation 14:14-16)
- Making "ready a people prepared for the Lord" (Luke 1:17)

Solid health principles (see 2 John 3)

At this moment we are functioning in one tiny 10 ft. x 14 ft. room in Newport, WA. Here's a picture I took today of our workers in that tiny room. Do you think Lucifer wants us in our new media center? Not on your life. He attacks. But God counteracts, and Jesus will prevail. Financially, our immediate needs fall somewhere around $50,000. To man, this seems a lot. But not to God. On the wall in my Newport WA office, in large letters, hangs this inspiring quotation:

The means in our possession may not seem to be sufficient for the work; but if we will move forward in faith, believing in the all-sufficient power of God, abundant resources will open before us. If the work be of God, He Himself will provide the means for its accomplishment. He will reward honest, simple reliance upon Him. The Desire of Ages, p. 210.

How I rely on this promise! I believe it. If God impresses you to contribute to this vital project (it is His project), we will sincerely thank Him, and you too. You can send a check (any amount helps), donate online, or contact me directly. Again, we know this is God's work, not ours, and we are greatly encouraged. Paul wrote, "He who calls you is faithful, who also will do it" (1 Thessalonians 5:24). Donations can be earmarked, "God's Building Project."

In two days Gilbert Navarro and I fly to Louisiana where I will conduct a major Bible prophecy seminar for the public called...
“Mark of the Beast Mysteries Unveiled” at the Staybridge Suites Hotel in Covington. Advertisements have been mailed to the entire city, and radio spots have been heard on WLNO 1060 AM New Orleans again and again. “We have received a ton of phone calls from WLNO listeners who want to come to these meetings,” reported Kathe Navarro today who answers our phones. Say a prayer for us.

Moving forward by faith,

Steve Wohlberg
