I'm glad I'm not Gadhafi. As anti-government protesters gain more ground in Libya, a Defiant Gadhafi Vows to Fight On. In a recent twist, the embattled Libyan president now blames Osama bin Laden for the revolt. What exactly is happening in the Middle East? Are these pro-democracy forces as our mainstream media portrays, or militant Al-Qaeda loyalists expanding their power base? Time will tell.

Once thing is clear. John wrote, "The nations were angry..." (Revelation 11:18), and things won't improve until Jesus returns.

Last Sunday night Gilbert Navarro and I returned from Covington, Louisiana, where I conducted a special seminar called "Mark of the Beast Mysteries Unveiled." A great crowd responded to radio, print, and personal invitations from friends. One couple appreciate White Horse Media so much that they drove to Covington, checked into the same hotel as the seminar, and spent their 30th wedding anniversary by coming to every meeting! In the picture below, you can see their smiling faces on the front row on the right.

"Mark of the Beast Mysteries" Attendees in Covington, Louisiana

You wouldn't believe how many people we met who told us they listen to White Horse Media radio programs regularly on WLNO 1060 AM in New Orleans. The Lord blessed every meeting in Covington, and a large group heard a straight message about future events, the mark of the beast, and our great need for the Savior.

Progress continues in our new headquarters. Tuesday I spent the entire day working in the building, and preparing my new office. Take a look:
In three days our local church will have a work bee in our new building. Praise God, we're almost there. The good news is that, as far as construction costs go, we are mostly current in our expenses. Next is the phone and security systems, Internet, smoke alarms, and building siding. All contributions are much appreciated.

Last week this wonderful report came in:

Praise report Steve. I've been a Christian for many years but only in the past two years have I studied Revelation. The Lord said it was time. On the leading of the Holy Spirit I stopped watching secular TV and got Sky Angel. I have always been taught about the rapture in Rev. 4, but when I got there I couldn't find one. Then one day watching Sky Angel I saw you teaching Revelation and went to your website and studied with you. Thank you for having your studies free to watch. I bought your books and studies for my home and to teach. After about 6 months to a year I was baptized. Then I taught my sister, and we were baptized together, and today after 32 years of praying for my husband he has excepted Jesus Christ and the three angel's message and will be baptized on the 26th. Praise the Lord for He is good! I thought you might like to know. May the Lord continue to bless you and your ministry. Your Sister in Christ. Deborah Pate

Yes, God is so good. What can be more exciting than that!

In my next e-news I'll tell you about a new music CD just released by our own White Horse Media producer, Charles Lawson. Believe me, it contains only heavenly music fit for pilgrims who are almost home.

More to come...
