The Voice of God says, Go Forward (Exodus 14:15)

I am so excited I can hardly contain myself. After over a year of preparation, White Horse Media held its first official board meeting last Sunday (March 6) in our new headquarters in Priest River, Idaho. Here are some pictures:

The first item of "business" was a Bible study based on Exodus 14. The Israelites had just been freed from Egyptian slavery and were marching joyously toward the Promised Land. Mysteriously, God then told Israel to "turn and camp before the sea" (Exodus 14:1). This became a trap, but God led Israel into it on purpose to teach His people three vital lessons: 1) to trust Him fully, 2) that deliverance comes from Him alone, 3) that they should "go forward" (verse 15). Shortly thereafter, the Egyptians showed up behind them. Impassable walls loomed beside them. The Red Sea swirled before them. Yes, Israel was trapped. There was no way out but through God's hand.

"Tell the children of Israel to go forward" (Exodus 14:15) was the Lord's clear command through Moses. Then, by faith, the hosts of Israel advanced. As they did, the water opened up, a path appeared, "and Israel walked on dry land in the midst of the sea" (verse 29). The Egyptians followed, unfortunately. As soon as Israel reached the other side, then "the waters returned and covered the chariots, the horsemen, and all the army of Pharaoh" (verse 28), and that was the end of God's enemies. Thus, "the Lord saved Israel that day out of the hand of the Egyptians...[and] Israel saw the great work which the Lord had done...so the people feared the Lord, and believed the Lord and His servant Moses" (verses 30-31).
The lesson is for us, GO FORWARD.

Based on this counsel, White Horse Media is now in full swing to complete the final phases of our building project, to begin functioning in our new headquarters fully (our new phone lines should be connected next Tuesday) and to prepare our large TV studio for the filming of life-and-death messages to help people prepare for "the end of the world" (Matthew 28:20).

By faith, we are developing big plans (more soon).

By faith, we are advancing.

By faith, we are trusting Jesus Christ to provide the finances necessary through His people to accomplish His will.

Trusting God alone,
