New WHM Building Project video / Huge Jay Thomas Show interview this Friday

Hello everyone,

**New Building Project Video:** Thanks to the professional efforts of Max Ocon and Jeff Kyle, we just posted on our White Horse Media YouTube page an exciting 5-minute video about our new headquarters and TV studio plans. If a picture is worth a thousand words, a video must be worth twenty thousand! Take a look:

[White Horse Media Building Project](#)

Presently, we have two pressing financial needs: 1) Finishing our TV studio (which you can see on the video). Estimated costs are approx. $21,000, which includes framing out the east and south walls, building the green screen, sound insulation, and floating the floor. 2) Meeting our modest $7400 budget for our TV series, "Agents of Satan: Exposing LIES - especially on the internet - Against the Ten Commandments and Commandment-keepers." Some funds have been committed, but we are still short. Filming dates are April 26,27.

*If Jesus moves you to assist with these vital projects, let us know.*

**World Food Crisis:** In case you haven't heard, a global food crisis is rapidly approaching, so much so that the President of the World Food bank recently warned that the world is only "one shock away from a full-blown crisis."

The Jay Thomas Show: Yesterday - and I believe this was
Jay Thomas Show that airs on Sirius and XM Satellite radio in New York. Believe me, the show is huge, and international. Some of Jay's past guests include William Shatner, John McCain, Newt Gingrich, and Barbara Walters, just to name a few. Jay also appeared on the TV show, Mork & Mindy. Why does Jay want me as his guest? According to his producer, he wants to "talk about some of the end of the world predictions and signs of late." Along with millions of others, he too must be stirred by recent world events. The interview is slated for this Friday morning, April 22, between 8:30-9:00 eastern time. Jay's show isn't religious, but I see this as an opportunity to talk freely about "the signs of [His] coming, and of the end of the world" (Matthew 24:3) before millions of listeners. Pray for me.

As you can see, God continues to open doors for White Horse Media to "preach the Word" (2 Timothy 4:2) in these "last days" (2 Timothy 3:1), and you are part of this. As always, we appreciate so much your prayers and support.

God bless,

Steve Wohlberg
