Dear friend,

Interest keeps mounting about our new Making Sense of Natural Disasters tract. To explain this special project more clearly, White Horse Media just launched a new website, www.whydisasters.com. Take a look. We have also ordered 100,000 tracts (which is just the beginning) scheduled to arrive at our office this Thursday. In a few days, we will start mailing them out.

If God leads you, we urgently request that you please share www.whydisasters.com with as many as possible, including your Facebook and Twitter lists. God's hand is clearly in this project, and we appreciate your help.

Also, tomorrow we begin filming in our new headquarters a series of short 1-2 minute devotionals on a variety of subjects that you soon will be able to watch on your computer. Say a prayer.

Keep the faith,

Steve Wohlberg

It's time to tell the world the true reason why deadly disasters such as killer earthquakes, massive tsunamis, monstrous tornados, raging fires, devastating floods and horrific hurricanes are increasing by sharing widely this amazing, eye-opening and inexpensive new tract penned by Steve Wohlberg, Speaker/Director of White Horse Media.

What Does The Holy Bible Say?

Jesus Christ predicted: "Great earthquakes shall be in various places ... and fearful sights and great signs shall there be from heaven ... And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations with perplexity; the sea and the waves roaring; Men’s hearts failing them for fear, and for looking at those things which are coming upon the earth: for the powers of heaven shall be shaken. And then shall they see the Son of Man coming in a cloud with power and great glory. And when these things begin to pass, then look up, and lift up your heads, for your redemption is drawing near" (Luke 21:11, 25-28).

The Lord is soon to come. In fire and flood and earthquake, He is warning the inhabitants of this earth of His soon approach. O that the people might know the time of their visitation! We have no time to lose. We must make more determined efforts to lead the people of the world to see that the day of judgment is near at hand. Carefully prepared literature on the significance of the scenes we are now witnessing is to be circulated everywhere.

Isaiah 24: 1,5,6 NLT

"Look! The LORD is about to destroy the earth and make it a vast wasteland. He devastates the surface of the earth and scatters the people. The earth suffers for the sins of its people, for they have twisted God's instructions, violated his laws, and broken his everlasting covenant. Therefore, a curse consumes the earth. Its people must pay the price for their sin. They are destroyed by fire, and only a few are left alive."

Additional Ordering Information: White Horse Media requests a minimum order of at least 5 packs for $25 (plus S & H). When you order online, we will automatically send you tracts with all 4 covers so that, depending on what disaster is most current in the news, you can then give out tracts with that cover. If you live in an area that has been hit particularly hard by a single disaster, you may request that all of your tracts have only one cover. In this case, you must place your order by calling White Horse Media directly and specifying which cover you desire. We hope to distribute millions of these tracts to individuals, various organizations, and churches. The back of each tract also offers a free course of Bible Studies so that interested readers can learn more about God’s Word. Those who want personal studies, or a visit from a pastor, will be channeled back to your local church for follow-up. Thus by giving out these tracts you are not only helping people Make Sense of Natural Disasters but are also offering opportunities for further Bible studies that may result in new friendships for your local church to follow up.
