Hello everyone,

As anticipated, the last *Harry Potter* movie, *Harry Potter and the Deathly Hallows (Part 2)*, which opened in theaters last Friday, grossed over 300 million dollars opening weekend. While it is hard to make much of a dent in such a mesmerizing juggernaut, God did open numerous doors for White Horse Media to sound a sober warning about the perils of occult-laden entertainment—especially to children and teenagers.

On Friday, the day of the film's release, I was interviewed on The Janet Mefferd Show heard coast-to-coast on the Salem Radio Network. Many of you were praying. Thank you! As I hoped, Janet kept me for an extra half-hour to answer callers. The interview went fantastic, and it is now posted on our website (without the commercials, thanks to Jeff Kyle). If you wish to listen to the entire interview, click here. Other interviews included:

- The Billy Cunningham Show (700 WLW, Cincinnati, Ohio)
- The Farm Radio (101.9, Jackson, Tennessee)
- Newscast on KCBI (Dallas, Texas)

Yesterday my family and Gilbert Navarro returned from Gladstone, Oregon, where I conducted a four-part series called, "Secrets of Gethsemane." On a campus with nearly 10,000 attendees, my seminar started in room that fit about 500. But by the 2nd day, it was standing room only, so we were transferred to "the big tent" to accommodate a larger crowd. God truly blessed those meetings, and we praise His Name. White Horse Media also had a booth at the exhibit hall, and we were often surrounded by visitors expressing deep appreciation for our books, nockethooks, DVDs, TV programs.
Without your prayers and support, none of this would be possible. Thank you!

At Gladstone, we made arrangements with Better Life TV to air our new TV series, *Agents of Satan*, into Northern California, Reno, Nevada, throughout Oregon, and into Washington State, for 3 months, for a modest fee of about $2200. *If anyone wishes to contribute toward this expense, let me know.* God has big plans for "Agents of Satan," and this is just the beginning. Through it, we hope millions will learn the truth about Revelation 12:17 and take a stand for Jesus Christ, who died for us all.

The dragon was angry with the woman and when to make war with the remnant of her seed, which keep the commandments of God and have the testimony of Jesus Christ. (Revelation 12:17)

We leave for Sacramento, CA in two weeks for the ASI Convention. In between, our son Seth turns 7. His birthday is July 22. If anyone wants to send him a short birthday wish, just send me an email with "For Seth" on the subject line. He'll appreciate it!

Jesus loves us all. Let's stay close to Him.
