America to Speak as a Dragon

Dear friend,

For many days I have tried to send this out, but our "adversary the devil" (1 Peter 5:8) has been fighting me. I feel it. Distractions. Distractions. Distractions. What an intense battle we are in! No more. It's time. Here we go.

Everyone knows that our US Government has horrific problems. Huge debt. Political gridlock. Instability. A diving currency. A looming economic crisis capable of shoving America itself over the edge into national abyss. Plus corruption. Millions of US citizens realize this. Many are scared. The Tea Party is mad. What does the future hold? Predictions are rampant, but only the Holy Bible tells the full truth.

My newest pocketbook, The United States in Bible Prophecy: The Day of the Dragon is at the Door, not only proves that America IS pinpointed in Revelation's prophecies as a major end-time player, but also that it will soon become The Deadly Enforcer of "the mark of the beast" (Revelation 19:20).

John wrote:

And I saw another beast coming up out of the earth, he had two horns like a lamb, and he spoke as a dragon... and he causes all, both small and great, rich and poor, free and bond, to receive a mark in their right hand or in their forehead, that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Revelation 13:11,16,17

The United States in Bible Prophecy: The Day of the Dragon is at the Door builds a step-by-step case that this lamb-like
these shocking points:

1. Revelation 13:11 predicts the rising of a great "beast."
2. Based on Daniel 7:23, a "beast" represents a great nation.
3. It rises "out of the earth," or wilderness area (compare with Rev. 17:15).
4. This nation starts out young, like a baby lamb.
5. This nation is lamb-like, which means that it has Christian characteristics.
6. This nation has horns with no crowns, meaning that it has no kings.
7. This nation achieves superpower status near the end of time (Rev. 13:16).
8. This nation influences the world's economy (see Rev. 13:16,17).
9. This nation finally speaks like a dragon.
10. It finally enforces the mark of the beast.

White Horse Media's mission is to communicate God's "sure word of prophecy" (2 Peter 1:19) to the world. Honestly, the dissatisfaction Americans currently feel over our US Government's political failures has opened a wonderful opportunity to share our new pocketbook widely. Those in the Tea Party movement will grab it quickly. So will many others. FYI, the pocketbook speaks highly of lofty American principles, and of our Constitution. "With liberty and justice for all" is its clarion call. Yet it tells the truth about the future. Dark days are pending. But there is hope! "Behold, He comes with clouds, and every eye will see Him" (Revelation 1:7). The pocketbook is only $1 each. White Horse Media makes mere pennies on these little jewels, but if one soul accepts Jesus Christ because of it, our treasure is in heaven.

We hope you will join us in getting this new pocketbook out to the masses. Like I said, I'm convinced that for many days demonic forces have been desperately trying to hinder me from sending out this exact email. But now, it's done. The word has gone out. Truly, the time is ripe for our new pocketbook. Its cover, designed by Charles Lawson, is gripping. The Holy Spirit will work through it. And with God's blessing, thousands will discover "the Way, the Truth, and the Life" (John 14:6) because of it.
