Hello all,

This will be quick because tomorrow my family heads for a much needed one week vacation. We can hardly wait!

On the ministry front, many exciting things are happening.

1. My radio interview last Saturday morning on The Rob Pratte Show discussing the East Coast earthquake and Hurricane Irene was recorded and has been posted on our website. To hear it now, click here.

2. We just secured a new domain name, www.tencommandmentsfromgod.com. Nothing is on it yet, but will be soon. The Big Ten will be listed in black and white, along with answers to objections, etc. Right next to the law will be the cross of Calvary and we will make it very clear that Jesus Christ died because humans have broken God’s Law, and that His plan is to forgive our sins and enabled us to obey it. Read 1 John 3:4, 1 Cor. 15:3; Rev. 12:17; 14:12.

3. We just finalized a new sharing tract (which will go along with the above website) that shows the Big Ten right in the middle, word for word, as recorded in Exodus 20:1-17, along with other texts that show salvation through Jesus Christ. The printer is ready to print 10,000 copies. This is a small need, but we are looking for a sponsor to cover this cost of about $700. If you are interested, let me know. Your gift will sponsor 10,000 missionaries explaining to others the importance of the Ten Commandments and the cross of Jesus Christ!

4. White Horse Media made a major new contact today...
called IPTV to help spread them around the world. We'll keep you posted.

5. My next pocketbook, Rapture Myths, is now with the publisher and will be in print soon.

We appreciate so much those who pray for us, and support us. God bless you!

I'll keep you posted when I return.

In Him,

Steve Wohlberg
