Hello to everyone on my list (the current count is 7379),

My trip to Montana last weekend for the "Montana Men's Summit" was fantastic. I spoke six times to 60-70 eager men, and the Holy Spirit's presence was strongly felt. Two weeks before, White Horse Media shipped many boxes of tracts, pocketbooks, books, CDs, and DVDs to the Summit, and we left with nothing. Everything was either sold or given away. 

Our next devotional is ready for viewing. It's #3 called, Four Steps to Heaven (Part 1). To watch it, you can either click the link above or on the left side of this report, under the heading, "His Voice Today." This is a new feature. It's easy.

FYI, 10,000 new Ten Commandments tracts will arrive here any day. I'll write more about this soon.

5,000 copies of my next pocketbook, Rapture Myths, should arrive next week.

We have added more TV programs to our own White Horse Media Youtube Page:

Now you (and thousands more!) can easily watch Israel in Prophecy, Antichrist Chronicles, Hour of the Witch, Agents of Satan, End Time Delusions, plus more. At this moment, total uploads of these programs is listed as over 42,000! and you can help double, triple, or quadruple this! Just go to our White Horse Media Youtube page, find a video you like, and then click the "Share" link below the screen. When you do, you will
"Facebook," and "Twitter" lists.

We have also added Facebook and Twitter links to www.whydisasters.com. Check it out, and help us spread the news.

Winter is fast-approaching here in North Idaho and many of us are gathering firewood for our stoves. North Idaho folks love wood heat. Ah...It's nice when the snow falls.

May Jesus help us to "walk in the light, as He is in the light" (1 John 1:7), and to cooperate with His angels to spread His word like fire.

God bless!
