Hello everyone,

You may not realize this - although most teenagers do! - that the next blockbuster movie in The Twilight Saga of vampire romances, Breaking Dawn: Part 1, sinks its fangs into global fans this Friday, November 18.

Twilight's main Facebook page has 25+ million followers!

It's a fact: vampires are more popular than preachers!

Our White Horse Media book, The Trouble with Twilight: Why Today's Vampire Craze is Hazardous to Your Health, tackles the topic, sounds a sensible warning against subtle occultism, and offers something better - the love of a Savior who shed His blood on a cruel cross for a lost world.

Chapter titles in The Trouble with Twilight include:

- Chapter 1: Twilight Fever
- Chapter 2: Out of the Coffin
- Chapter 3: Ancient Warnings
- Chapter 4: The Blood Battle
- Chapter 5: Spooky Parallels
- Chapter 6: Forbidden Fruit
- Chapter 7: Occultism's Bite
- Chapter 8: Heavenly Defense
- Chapter 9: No Greater Love

This easy-to-read book is great for sharing with teens and adults. Only $11.99 (plus S & H), it is now available from White Horse Media.

I just sent out a press release to radio hosts seeking interviews. Say a prayer.
