Hello everyone, in case you haven't noticed, our primary website, www.whitehorsermedia.com, has been attacked by malware, and at this moment there is a warning from Google. The good news is that the problem is solved, and that it is safe to visit, but it may take Google a few days to remove the warning.

Satan hates White Horse Media, but Jesus loves us.

Read Romans 16:20 says, "And the God of peace will soon crush Satan under your feet."

So, let's rejoice!
