Hello everyone,

I know it's short notice, but today (Feb. 21) from 3-4 pm PT, I will be interviewed by Brian Wilson, The Radio Preacher Man, about Whitney Huston's tragic death, and about what happens when we die.

The day after Whitney was pronounced dead in her Beverly Hills hotel, Stevie Wonder announced at the Grammy Awards in L.A., "To Whitney up in heaven, we all love you." Is this true? Did the soul of the superstar singer soar to heaven at the moment her death? Brian Wilson and I will discuss this volatile topic today from 3-4 pm on The Liberty Broadcasting Network.

To listen live this this afternoon, click here at that time (then click the start button on the media player when it comes up).

All prayers are appreciated.
