Hello everyone,

I'm in a hotel in beautiful Bonners Ferry, Idaho. Here's the latest about the wonderful television opportunity God has providentially opened up for White Horse Media:

The name of the network our TV programs will be on is Legacy TV. Their website is www.legacytv.wordpress.com. Last Wednesday White Horse Media officially signed a one-year contract, and Legacy quickly signed too. So, we're in. Praise God!

Our regular half-hour slot will be every Sunday night at 10:30 ET, 9:30 CT, 8:30 MT, and 7:30 PT, starting tonight, June 10.

How can you watch White Horse Media on Legacy TV?

If you visit their website and click "Affiliates" you will see a hefty list of the major cities and TV stations they are on coast-to-coast, from Los Angeles to Dallas to Detroit to New York.

A few days ago, after visiting their website, one of our supporters wrote:

Steve, I am now living in St. Louis, and one of the affiliates is KNLC, Channel 24 on the U-verse cable here. The potential impact is almost unlimited. To God be the glory! Michael

We agree Michael. To God be the glory!

What White Horse Media programs will Legacy air?

To start with, we have already sent Legacy six weeks of inspirational...
programs we previously filmed in Fresno, CA, with Junie Lawson called "Counsel for the Heart" that offer practical, biblical guidance about godly living, courtship, marriage, raising children, and strengthening the home in the midst of an anti-God, anti-morality, and anti-family world gone mad. Junie has a special touch, and we trust Jesus will use her programs mightily.

In addition, we also sent Legacy 15 of my two-minute "His Voice Today" devotionals which they will air at different times for free.

Finally, our plan is to follow the first six weeks of Junie's programs with a fresh series of regular half-hour programs also called "His Voice Today" (see Hebrews 3:7,8) where I will present a variety of fresh, cutting-edge topics about the gospel, Heaven's "sure word of prophecy" (2 Peter 1:19), and how to prepare for the soon return of Jesus Christ. Our goal is to begin airing these new programs on Legacy TV to our new, national audience by the seventh week (July 22).

As mentioned previously, our basic cost to be on Legacy TV for one year is only $18,850, consisting of two payments of $9,425. The first is due in five days (June 15), and the second by Sept. 15. Thank the Lord, the first payment is covered completely, and we trust Jesus to provide the next one too.

Presently, our most pressing financial need is to pay for the materials and labor to construct our new "His Voice Today" TV set inside our TV studio in Priest River, Idaho.

Charles Lawson, our producer, has estimated this cost to be between $10,000 and $12,000. Why this expense? The simple answer is that our new "His Voice Today" TV programs will beam into potentially 41 million homes (Legacy expects to double this within one year), and we want our set to look great. Think about it. From its midst "the everlasting gospel" (see Revelation 14:6), end-time prophetic truths, and the living Word of God (see Hebrews 4:12) will be communicated to millions of viewers. How important is that?

Again, that's $10,000-$12,000 for this TV set, and again, this is our most pressing current need. Charles Lawson hopes to place the order for the material this Monday or Tuesday.

So, if anyone wishes to help us meet this urgent $10,000-$12,000, send me an email with "Helping with the $10,000-$12,000 TV Set" on the subject line. If you're too tight, just pray. Believe me, we are praying too, and as always, we trust our faithful God to provide.

We are very excited about being part of the Legacy family. Truly, "God has opened this door" (Colossians 4:3) for His Word.

Keep praying.

As usual, I'll keep you posted.
