Hello everyone,

Believe it or not, something BIG will happen on the infamous anniversary of the collapse of New York's Twin Towers. Don't worry, I'm not into speculation. Keep reading.

Our fabulous *His Voice Today* television set is finally complete. The date is fixed. We film this Tuesday, September 11, 2012. Our goal is to complete four programs in one day about "the signs of the times" and the soon return of Jesus Christ. Once edited, these will air on Legacy TV from Los Angeles to Chicago to New York.

Here is a recent picture of our construction crew.

Ever since White Horse Media first relocated from California to North Idaho in November 2008, we have been steadily moving toward this moment. Now, it's almost here. To all of our faithful supporters who have stayed with us we say with the deepest gratitude, thank you! Your help has not been in vain.

While excited, I'm also quite solemn about this. If you have any doubt that time is running out fast, watch this shocking video, "14 Days of Global Cataclysm in August 2012." It should convince anyone that we are truly living "in the last days." 2 Tim. 3:1.

To each of us, Jesus Christ speaks:

> Behold, I come quickly, and My reward is with me, to give every man according to his work. Revelation 22:12.

The title of our new TV series, *His Voice Today*, is based on this Bible verse:

> As the Holy Spirit says, Today, if you hear His Voice, do not harden your heart. Hebrews 3:7,8.

We all need to hear His voice today and to follow His inspired...
these new programs is enormous, and his demonic forces will do whatever they can to derail us. But God Almighty is greater than the Prince of Evil. Our programs are already broadcasting on 25+ radio and television stations and networks worldwide, and with the addition of Legacy TV, millions of new viewers will soon hear His Voice Today from the Holy Bible through White Horse Media.

Again, pray, keep the faith,
Steve Wohlberg
