Hello everyone,

This past week our White Horse Media phones have been buzzing with questions from callers about the Mayan calendar and December 21, and with orders for our newest pocketbook, *The End of the World: Fact Versus Fiction*. It's exciting for our employees to share Jesus Christ and Bible truth with so many earnest inquirers.

To learn more, watch "2012 and the End of the World (Part 2)" this Sunday night, October 21, at 7:30 PM (Pacific Time), 8:30 PM (Mountain Time), 9:30 PM (Central Time), and 10:30 PM (Eastern Standard Time) on Legacy TV.

Yesterday our crew once again successfully filmed four more programs -- "The Beast Within," "Behold, A White Horse," "Sanctuary Secrets," "America in Bible Prophecy" -- slated to air on November 25 and December 2, 9, and 16. I'll keep you posted. Our plan is, as soon as possible, to post all of our new *His Voice Today* programs on our White Horse Media Youtube channel.

We appreciate so much all who are involved with this ministry, and especially those who uphold us often in prayer. *Believe me, we need it.*

Also, the topic I was recently interviewed about by National Geographic International, "Mass Animal Die-Offs: Another Sign of the End?" was finally successfully recorded about two
Ponder carefully these Bible verses: "And he [a holy angel] said, 'Go your way, Daniel: for the words are closed up and sealed till the time of the end. Many shall be purified; and made white, and tried, but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand'" (Daniel 12:9,10).

There's no doubt that we are in "time of the end" and that Jesus Christ is coming soon. May we all be among that prophesied group that "shall be purified" from all sin (whether in thought, word, or action) through the grace of Jesus Christ.

Trusting in Him,

The End of the World: Fact versus Fiction

Have you heard the news? The world may end in 2012.

This terrifying concept is now buzzing across the globe, in books, in theaters, and especially on the World Wide Web. The History Channel has become a strong advocate of the notion that 2012 predictions may, in fact, be true. Its three frightening documentaries, Nostradamus: 2012; Doomsday 2012: The End of Days; and Brad Meltzer's Decoded: 2012, all suggest we don't have much time left. Spooky "proof" is offered from the ancient Mayans, the Roman oracle Sybil, the Greek oracle at Delphi, medieval Merlin, Nostradamus, and even the Native American Hopi Indians. Apparently, they all pinpointed 2012 as The Year of the End.

The target date is December 21, 2012.

Tick, tick, tick, we're getting closer every day.

Discover the facts inside Steve Wohlberg's pocketbook (newly revised), The End of the World: Fact versus Fiction. Topics explored include: 2012 predictions, what the Bible says about the end of the age (Matthew 24:14), the return of Jesus Christ (Matthew 24:30,31), how to prepare for the Big Day, the infinite love of God for each of us (John 3:16), and the earth made new (see Revelation 21:1,4).

Great for sharing!
