I can't go into details, but I had a significant conversation today with a major media contact that could result in much larger television exposure during the "loud" cry of the "third angel" (see Revelation 14:9). We at White Horse Media believe strongly that our Lord Jesus Christ is now preparing His people for the final events about to break upon the world just before His return (see Revelation 14:14-16), and that WHM is divinely slated to have a part in giving Heaven's Last Call.

Please pray for us, and support us if God leads.

I'll keep you posted.
