Introducing The Wohlberg Report: It's no secret that events like the Pope's resignation, deadly disasters, and ongoing "signs of the times" (Matt. 16:3) now grip public attention as never before. We're in "the
White Horse Media's ongoing commitment to quickly address the public-at-large as key events unfold, we have decided to launch a new series of hi-tech short videos called The Wohlberg Report that will offer my apocalyptic perspective on rapidly unfolding developments. These short programs will be created in our office in Idaho, and then quickly uploaded to our Youtube/Facebook outlets for easy "Sharing." Through the Holy Spirit's blessing, we hope many of these will go "viral," thus reaching multitudes with Bible truth.

To illustrate the potential, go to www.youtube.com and type in "Pope Resigns." When the next page comes up, scroll down to the 4th hit called "Pope Resigns February 28: What CNN Won't Tell You," -- a 12-minute video that has already garnered 115,000+ hits! We can do this too, to spread "the present truth." 2 Peter 1:12. Charles Lawson, White Horse Media's television producer, explains below what we need to make a quality program:

Steve, After talking to a business rep from Apple I have the figures for you ...

1. **21.5 inch iMac**, 2.9 Ghz Quad-Core Intel Core i5, Turbo Boost technology, up to 3.6 Ghz, 16 Gig 1600 Mhz DR3 SDRAM, 1 TB Fusion Drive (7200 rpm), NVIDIA GeForce Gt 650 512 MB GDDR5 with Apple Care. **$2000**

2. **Telestream's WIRECAST software for live streaming.** Features: Chroma Key, graphics, multi-layers of live compositing, transitions between cuts, lower third titles. **$500**

3. **Canon VIXIA HF G10 Full HD Camcorder** with HD CMOS Pro and 32GB Internal Flash Memory. **$1,040**

We already have some lights we can use and a green screen background to put in any set we want. This could be used for other short spots as well. The total is $3,500.00. If you have any questions, let me know... Charles

*Thus, as you can see, we need $3,500 to make this happen. As you can imagine, White Horse Media has many other expenses and we are praying that God will provide $3,500 plus much more, through our supporters. If you are interested in contributing to this, either email me directly (steve@whitehorsemedia.com) or donate on our website.*

I look forward to sending you soon not only more 2-Minute Talks and His Voice Today programs, but The Wohlberg Report!

Forward by faith,

Steve Wohlberg
