Hello everyone,

Here is my next 2 Minute Talk, "Smoked Out." Click the picture below.

My next two books will soon be published, *God's Last Message: Christ our Righteousness*, and *Fabulous Health Made Simple*. I can't tell you how excited I am to see these finally in print. Don't order yet, because we don't have them yet, but when we do, I'll let you know. This is just a heads up in advance about what's coming.
We are also about to launch a new website called, Highway to Health, that will be loaded with educational information and natural products for health and healing. It's not "live" yet, but will be next week. Again, I'll keep you posted.
The Holy Spirit is working mightily in these last days "to make ready a people prepared for the Lord" (Luke 1:17). At White Horse Media, we strongly believe that the key to our personal preparation for "the coming of the day of God" (see 2 Peter 3:12) is both the message and experience of Jesus Christ Himself as "THE LORD OUR RIGHTEOUSNESS" (Jeremiah 23:5,6). Not only that, but God wants us "to be in health" (see 3 John 2) so that we can most effectively share and live that message in the midst of a lost and dying world. This is a key reason why we have been divinely led to combine Bible prophecy and health principles in our work. Believe me, Satan has been opposing us viscously (read Revelation 12:12), but Jesus will win in this War (see Revelation 19:11-16). We trust Him!

As usual, we have lots of expenses these days, and we appreciate so much our supporters. Keep praying for us. Thank you!

More soon,
