Hello everyone,

In case you haven't noticed, morality is vanishing from the hearts of men and women. What's right? What's wrong? Our mixed-up generation has a hard time figuring this out. But our Lord is not confused. His Ten Commandments, "written with the finger of God" (Exodus 31:18), still speak loudly to human hearts today. "By the law," wrote Paul, "is the knowledge of sin" (Rom. 3:20). True love (which comes from Jesus) also leads to "the fulfilling of the law" (Rom. 13:10), not the breaking of it.
Would you like to help others realize that they are sinners in need of a loving Savior? You can do it by simply wearing one of our new "God's Law of Love" Ten Commandment shirts. On the backside people will see our website: [www.TenCommandmentsFromGod.com](http://www.TenCommandmentsFromGod.com). Wearing these shirts is a simple way to witness. You can also hand out Ten Commandments tracts. I love wearing this shirt when I travel in airports. Believe me, people notice the shirt!

Next, for those familiar with the raging controversy over whether there is, or isn't a real prophecy of 2,520 years embedded within Leviticus 26, my newest pocketbook, *Prophecy's Blind Date: 2520*, is now available from White Horse Media. $1 each. Quantity discounts. The pocketbook contains vital information specifically designed for those familiar with the debate.

To order *Prophecy's Blind Date: 2520*, Call 1-800-782-4253. Or order online.

If you missed my recent radio interview with The Radio Preacher Man about recent Supreme Court rulings on same-sex marriage and the Ten Commandments, it was recorded. You may listen now to "Adam & Ève, not Adam & Steve" if you wish. Believe me, that interview was very solemn.

Remember, this is the last week to order our new *His Voice Today* DVDs Set 1 and 2 at the special discounted price of only $24.95 per set (regularly $34.95 plus S & H.). These DVDs explain the hottest prophetic issues facing the church and the world and are perfect for personal Bible studies, group studies, church services and prayer meetings.

One more thing: As most of you know, White Horse Media is a "faith ministry" (we make very little on the sale of our products) with many ongoing expenses, *and your donations keep us going.*

Thank you!

Yours in "the blessed hope" (Titus 2:13) of our Lord's soon appearing.
