Dear soldiers of Jesus Christ,

As announced recently, White Horse Media is now preparing to film "Earth's Final Crisis: What You MUST KNOW To Survive." This is what our set will look like.

Our filming date is set: Tuesday, Sept. 3. This one-hour DVD will tackle THE BIG ISSUES: Current signs of Jesus Christ's soon return (see Rev. 1:7); the reality of a pending, global crisis (see Dan. 12:1); the authority of the Holy Bible (see 2
Tim. 3:16-17); the "mark of the beast" (Rev. 19:20); "the spirits of devils, working miracles" (Rev. 16:14) through spiritualism; the truth about death, burial, and resurrection (1 Cor. 15:3,4); and the importance of forsaking all sin, receiving Jesus, and joining that holy number that "keep the commandments of God and the faith of Jesus" (Rev. 14:12). Pray for us. Our budget is only $15,000, and includes production costs, graphics, software, and the replication of 10,000 DVDs. Donate Now.

If you haven't yet seen Animal Apocalypse (the National Geographic International documentary I participated in last year), you should watch it. We are so pleased. "For the Lord God will help me," wrote Isaiah (50:7). Praise Him for His mighty hand!

If you need an extra kick to impress you that we are truly living in the final days, watch this 15-minute video depicting the horrific disasters that occurred in June 2013 alone. The Bible says, "The days are at hand, and the fulfillment of every vision" (Ezekiel 12:23). May God help us all.
In two days, August 24, during the 11:00 am service, I will speak at the Mount Shasta SDA Church in Northern California. Join us if you can.

Blessings to all,

Steve Wohlberg
