Dear friends,

Yesterday (Oct. 26) I was interviewed by San Diego talk show hosts of *The Mike and Jeff Show* about Halloween and the deadly perils of trying to contact dead loved ones (spiritualism) - the doorway to demons. The interview was recorded and will air tonight during the 7-8 pm PT hour (for 45 minutes). If you wish to listen, go to their website and click one of the affiliate links between 7-8 pm PT TONIGHT.

His truth is marching on.
