Dear friend of White Horse Media,

Here is a 30-minute “World News and the Bible” program we filmed before our green screen. FYI, we DID get our new Black Magic camera. A big thank you to our supporters! This program below was filmed with our old camera, so the image is not as crisp. Later I will send more of these filmed with our new camera. But that will take some time. Until then, we hope you will be blessed by this one.

God bless!
