Dear brothers and sisters in Christ,

Thanks to the skillful editing of our producer, Charles Lawson, I am thrilled to report that our entire 13-part series, *Coming Out: Former Gays Testify of God's Saving Love*, is ready for broadcast and will begin airing this Saturday night, April 5, on the [Better Life Broadcasting Network](https://www.betterlifebroadcasting.com). Here is Program 2 with special guest Mike Carducci who tells his gripping story of how he first "came out" of the proverbial "closet" into an openly gay lifestyle, and then came fully out of homosexuality as a result of the grace of Jesus Christ. "Impossible!" Some say. Watch Mike's testimony, then decide for yourself.
We are very pleased with each of these programs and believe they deal firmly, yet compassionately and redemptively with a critical topic. With God's help and blessing, we trust the entire series will soon be available on DVD for widespread distribution. DONATE NOW.

"But you are a chosen generation, a royal priesthood, a holy nation, His own special people, that you may proclaim the praises of Him who called you out of darkness into His marvelous light"
