Dear friend of White Horse Media,

Tomorrow (Wednesday, May 28) is a big day when our team here in Priest River, Idaho, films a new 4-part television series entitled, *The Emerging Church Trap: Avoid the Bait*. My guest will be Dave Fiedler, historian and author of *Modern Mysticism Brought to Light*. If you know much about this controversial topic, then you know that these issues are being discussed worldwide, are emotionally intense, and are truly a matter life and death. Pray for us. Below is the tentative cover of my next pocketbook:
On Monday night, May 19, I was once again the special guest of radio host Rob Pratte on KDKA Pittsburgh NewsRadio 1020. The topic was the demise of the American family. The interview was only 6-7 minutes, but quite direct. Homosexuality was discussed, openly and honestly. Here it is if you want to hear that interview: [Target: The Family](#).

Here are audio links to two other powerful subjects I recently spoke about in Angwin, California. As I ponder God's "more sure word of prophecy" (2 Peter 1:19) and the biblical message of the Righteousness of Jesus Christ (Jeremiah 23:5,6), I am totally convinced that these are the BIG ISSUES soon to confront the entire world. Listen. Learn. And share with others.

My partner in ministry, Larren Cole, just finished his series in Sandy, Oregon. Here are some pictures from his meetings.
As we approach earth's final crisis, Larren and I remain committed to being loyal to God's Word, to Jesus Christ, and to revealing His loving character in a world of sin.

Pray for us, and support us if you can.
