Dear friend of White Horse Media,

Here is Program 4 of our new series of 5-minute "World News and the Bible" TV programs entitled, "The Present Popularity of Pope Francis." If you've been watching world events, then you know that Francis has taken the world by storm. The British ambassador to the Vatican recently declared that "Pope Francis is making governments around the world 'sit up and take notice' thanks to the huge global impact of his pronouncements on social and economic behavior." According to a careful study of Revelation 13:1-10, Rome's "huge global impact" will increase in the days ahead. All students of prophecy must know the facts and understand the steady trend of events. To help meet the challenges (and spiritual blindness) of this generation during these closing hours of history before the glorious return of our Lord Jesus Christ (see Matthew 24:30,31), White Horse Media is unveiling our newest pocketbook, *The Antichrist Identified*. 1000 copies just arrived at our office from the publisher. So, we have the booklets, and are ready to ship them to you.

*The Antichrist Identified* presents shocking proof from Scripture, the pages of history, and from Protestant reformers, that the seven-headed ten-horned "beast" of Revelation 13:1 is actually a
symbol of the Vatican and Roman Church. "All
the world wondered after the beast" (Revelation
13:3), predicts God's Word. This booklet is
compassionate, yet straight-forward. It exposes
modern myths, and is perfect for sharing with
Protestants, Catholics, Muslims, atheists,
Wiccans, or anyone seeking to understand earth's
final events. As usual with our pocketbooks, the
cost is only $1 each (plus S & H). Bulk prices are:
25+ for only .90 each. 50+ for only .80 each. 100+
for only .75 each.

As always, White Horse Media covets your
prayers as we boldly stand up for the gospel of
Christ and Bible truth. Satan and his angels are
"deceiving the whole world" (see Revelation 12:9)
but, through the Holy Spirit's guidance, we can
detect the master deceiver in his many disguises
and "follow the Lamb wherever He goes"
(Revelation 14:4).

May God help us to stand firmly on Jesus' side in
these closing scenes of the Great War.
