Dear friend of White Horse Media,

On May 7, Tim Saxton and I were interviewed by Danny Shelton and C.A. Murray at 3ABN for a 2-hour LIVE program entitled "The Time is at Hand!" (Rev. 22:10). We discussed waters turning red worldwide (see Ex. 4:9), mass animal deaths (see Hosea 4:1-3; 1 Cor. 10:11), the "beast" (Rev. 13:1), the incredible global popularity of Pope Francis, Dr. Ben Carson's recent decision to run for President, the increasing spotlight on Seventh-day Adventist beliefs, current Sunday laws (Chile, Germany, Hungary, Poland, Greece), increasing Sunday law agitation, the third angel's message (Rev. 14:9-12), the Ten Commandments "written with the finger of God" (Ex. 31:18), the infinite love of Jesus, His atoning death on Calvary for our sins (1 Cor. 15:3), and the urgent need to prepare NOW for earth's final storm, before it breaks with fury upon us all. Honestly, I have never seen such a response! At White Horse Media, our phones are going crazy.
Last week I posted the same information on my Facebook page, and it resulted in over 60,000 views!

The 3ABN interview was recorded. You can watch it HERE on Youtube.

White Horse Media also has copies on DVD. If you would like one, we ask only $5 to cover our basic costs. Feel free to add a donation, for it is gifts like these that keep White Horse
Media on the front lines. Call 1-800-782-4253. Ask for "The Time is at Hand! 3ABN Interview."

This weekend (May 16) I will conduct my seminar "America, the Beast, and the Devil's Deadly Mark" about these exact topics at the Three Angels Church in Wichita, Kansas. If you live nearby, join us. For details, contact Pastor Birger Draget (dragetb@gmail.com).

"The time is at hand!" (Revelation 22:10).
