WATCH NOW Pope Encyclical and the Mark of the Beast.

To those preparing for Jesus Christ's soon return (Revelation 22:20),

You can watch below, with a simple click, White Horse Media's newest 30-minute television program entitled, "The Pope's Encyclical and the Mark of the Beast." The information is critical. This new program is really a Part 2 of our previous two-hour LIVE interview on 3ABN entitled, "The Time is at Hand!"

To our amazement, that previous program has registered over 35,000 views on our Youtube Channel. I expect the count on this one to be even greater.

Consider this: "In the beginning" (Genesis 1:1), God Himself established two holy institutions: marriage
(Genesis 2:24) and the seventh-day Sabbath (Genesis 2:1-3). Then sin entered (Genesis 3) to ruin God's perfect plan. Near the close of time, both of God's original institutions will not only be attacked again, but both will be particularly made void by earthly governments. Less than a week ago, the U.S. Supreme Court legalized same-sex marriage in all 50 states, which is a blow to traditional marriage, as God established it. The same month, on June 18, the Pope's new encyclical was released promoting A SUNDAY SOLUTION to earth's global problems, and also recommending grassroots social action to pressure legislators to implement the Pope's suggestions, thus paving the way for a legislative attack on God's true Sabbath day (see Revelation 13:16,17; 14:9-12). Can't you see the writing on the wall?

"The time is at hand!"
(Revelation 22:10).

We hope you will watch our new program, and share it widely on social media. Soon it will air 3ABN worldwide. As earth's last crisis unfolds, White Horse Media's goal is to produce many more programs like this on current events and prophecy. Of course, there are costs involved. If you wish to help us move forward more rapidly to spread the Three Angels' Messages of Revelation 14:6-12, we welcome your support. Thank you!
