God Warns His World through Animal Apocalypse: In the spring of 2012, White Horse Media was contacted by Phil Frank, Executive Producer of an upcoming National Geographic International documentary exploring mysterious mass die-offs of birds, bats, bees, fish, dolphins, whales and other wildlife. After a lengthy conversation with Mr. Frank, Pastor Wohlberg was approved to share his views on the program about how these bizarre occurrences actually represent yet another biblical “sign” of a fast-approaching “end of the world” (Matt. 28:20).

After principal filming was completed with Pastor Steve in Washington, D.C., White Horse Media staff and supporters eagerly waited for over a year to view the finished release. Praise God! The documentary is out, is A+, has already aired in Canada, Korea, Turkey, Taiwan, Latin America, Europe, Japan, Russia, and India, exalts God’s Word, and sends a clear warning that we are living in Earth’s final days. To view the entire 45-minute film, visit Youtube.com, and then search for “Paranatural - Episode 8: Animal Apocalypse.” The documentary is powerful, and even fit for prayer meetings!

Earth’s Final Crisis: Compelled by the Holy Spirit, White Horse Media recently filmed our newest one-hour broadcast/DVD titled, Earth’s Final Crisis: What You MUST KNOW to Survive.

Topics include: The pending global crisis (Rev. 3:10) and “time of trouble such as never was” (Dan. 12:1); the perils of spiritualism (Rev. 16:14); the truth about death (Eccl. 9:5); “the mark of the beast” (Rev. 19:20); and finally, the message of salvation through our Lord Jesus Christ (John 3:16). Numerous White Horse Media resources already tackle these topics separately, but based on the shortness of time, we felt compelled to “make plain” the major end-time issues in one short DVD so that “he may run who reads it” (Hab. 2:2). At the conclusion, a special “Bible Truth Survival Kit” is offered containing seven truth-filled books so viewers can discover “the rest of the story.” Earth’s Final Crisis was filmed for television and for you to share with loved ones, friends, and strangers. Don’t let those you care about face the future ignorant and unprepared. Order Earth’s Final Crisis today. Only $10 per DVD. Quantity discounts. 1-800-782-4253. If your church is interested in a live, four-part seminar with Pastor Wohlberg on these topics, contact Gilbert Navarro (gilbert@whitehorsemedia.com).

White Horse Health Seminars: As many of our supporters know, for several years Pastor Steve has been earnestly researching the fundamental principles of optimal health, disease prevention, the value of natural, non-toxic remedies, and the vital importance of including more raw and living foods in our diet. Pastor Wohlberg recently completed his fourth health-related sharing pocketbook titled, Sprout Power: Supercharge Your Health by Growing LIVE Sprouts, Microgreens, and Wheatgrass in Your Own Home. Readers have responded:

"An inspiring little book. Well done!"  -- Jeff Kyle (Frostburg, Maryland)

"Great book! Need to get back to sprouting again!"  -- Junie Lawson (Blanchard, Idaho)

Previous Wohlberg health pocketbooks include: Surviving Toxic Terrorism: How to Conquer Killer Chemicals at War with Your Health (the riveting story of Seth Wohlberg’s battle with awful seizures caused by heavy metal toxicity), Fabulous Health Made Simple (explaining the Eight Laws of Health), and Juice Your Way to Fabulous Health, which offers practical suggestions on how to boost one’s health by purchasing a juicer and drinking fresh squeezed raw fruit and vegetable juices. Now that Pastor Steve has finished his fourth health pocketbook, he has decided to combine all of his material into a new four-part health seminar for churches called, Super Health for Apocalyptic Times.

The information is solid, simple, practical, fresh (call it “100 percent organic”), life-changing, and perfect for advertising to the general public. If your church is interested in Pastor Wohlberg conducting one of these seminars for your members and friends, contact Gilbert Navarro (gilbert@whitehorsemedia.com).
Mission Statement:
White Horse Media is a faith ministry whose biblical mandate is to proclaim “the everlasting gospel” and Three Angel’s Messages (Revelation 14:6-12) to all the world to prepare men, women, teenagers and children for the soon return of Jesus Christ (verses 14-16). Our name, White Horse Media, is taken from Revelation 19:11 which describes Jesus Christ coming on a “white horse” to conquer the global forces of evil. Our commitment is to be on the side of our Savior, motivated by His love, teaching His truth.

Words of Inspiration:
“The perils of the last days are upon us, and in our work we are to warn the people of the danger they are in. Let not the solemn scenes which prophecy has revealed be left untouched. If our people were half awake, if they realized the nearness of the events portrayed in the Revelation, a reformation would be wrought in our churches, and many more would believe the message. We have no time to lose” (Maranatha, 23).
