2013 Natural Remedies Seminar
“Natural Remedies”
July 14-21, 2013
Wildwood Lifestyle Center and Hospital in Wildwood, GA

Register TODAY and Save $66!!!

The Early Bird Registration - $384 extended until June 5th
(Includes Registration, Lodging, and Meals)

* Register today to get one of the last 3 spots for on-campus lodging *

Off-campus housing is still available

Sign up TODAY for our newest track "Wild Edible Plants and Flowers." Learn which plants and flowers are edible AND medicinal. This track will take you from the classroom onto Wildwood's campus filled with seasonal wild edible plants and flowers…you will learn how to identify them in nature. Come ready to identify, find, pick, prepare, taste and enjoy - A new experience in learning.

So Register Today!

Other Afternoon Tracks include: cooking, hydrotherapy, massage, and food preservation – only a few spaces left

This year's morning lectures will include Natural Remedies Myths, GMO, how our bodies work, Nutrition and natural treatments for Depression, Chronic Pain, and much more! There will be a hands-on cooking class daily. Afternoon workshops provide 12 hours of practical training in, Hydrotherapy, Massage, Food Preservation, and now: Wild Edible Plants and Flowers. There will also be a 3 hour track on Herbs and Poultices. Lodging on Wildwood's campus is running out! There is 1 spot left in the Food Preservation Class...afternoon tracks have limited spacing.
