NEW BIBLE FOR WOMEN

Devotional Thought

No matter what your circumstances may be, you can find Joy in My Presence. On some days, Joy is generously strewn along your life-path, glistening in the sunlight. On days like that, being content is as simple as breathing the next breath or taking the next step. Other days are overcast and gloomy; you feel the strain of the journey, which seems endless. Dull gray rocks greet your gaze and cause your feet to ache. Yet Joy is still attainable. Search for it as for hidden treasure.

Begin by remembering that I have created this day; it is not a chance occurrence. Recall that I am present with you whether you sense My Presence or not. Then, start talking with Me about whatever is on your mind. Rejoice in the fact that I understand you perfectly and I know exactly what you are experiencing. As you continue communicating with Me, your mood will gradually lighten. Awareness of My marvelous Companionship can infuse Joy into the grayest day. ~Taken from Jesus Calling, p. 309

Free Indeed Women's Ministries Convention

Nearly 1,800 women gathered in Orlando, FL in September for a weekend of spiritual renewal and fellowship. Guest
Ministries Department has produced the church’s very first study Bible for women in the very readable New King James Version. It is leather, and the feminine design, colors, and the commentary by prominent women of the church make it a useful tool for personal study and an ideal gift. It is available now at your Adventist Book Center or www.adventistbookcenter.com in English, Spanish and French.
