Beverly, you must now walk the path many of your sisters and friends have walked before you and what a journey it must be. Pastor Sterling, your husband was a delight and truly a friend of God and mankind while he sojourner this earth. Every time I saw you two the saying "two peas in a pod" always came to mind. Grieve as you must and know that many of us will grieve with you, but I hope you can also find the strength to bask in the wonderful memories you two have created and the hope of the Resurrection. Be encouraged my sister; I will be praying for you. Love you Beverly!!
